

**Connie Nesbary, MA LPC LLP
Owner, Connie Nesbary
International LLC**

Connie Nesbary is a Licensed Professional Counselor and Limited Licensed Psychologist in Michigan. Over the past two decades, she has worked with hundreds of clients in recovering from post-trauma stress from a wide range of circumstances. She has specialized training as a Star Behavioral Health Provider to work with military veterans.

Ms. Nesbary has spoken widely at national, statewide conferences, college classes and local events. She has done radio and TV interviews on topics such as domestic violence, trauma recovery and professional ethics. She has served on many statewide and local boards, and currently volunteers on a Suicide Prevention Coalition and Suicide Review Team in her area.

Connie Nesbary International LLC is a company with a vision for a world without violence and a mission to promote compassion through understanding. Projects that enhance understanding include the 2017 radio documentary *Criminal Sexual Conduct: What Needs to Change?*, a 4-hour conversation with experts and survivors from across America meant to raise awareness of issues and discuss possible solutions.
